

RELIABLE WATER CHEMISTRY CONTROL

BECSys3 with ppm

- Versatile** Suitable for pools, spas, water parks, fountains, zoos and aquariums
- Efficient** Reduces chemical usage, improves water quality and assures compliance
- Expandable** Enhance with data logging, remote access and free chlorine (ppm) sensor reading
- Complete** Standard configuration includes sensors, flow cell and advanced control algorithms
- Safe** Standard safety features include flow switch, flow restored delay, feed limit timers and visual alarm indicator

- Secure** Multi-level password-protection for peace of mind
- Reliable** 5 year electronics / 2 year sensor warranty provides worry-free operation
- Easy-to-use** One-touch Set Point and Calibration access, and a simple menu system for advanced features
- Supported** Factory-trained service and support

BECSys3 with ppm

RELIABLE WATER CHEMISTRY CONTROL

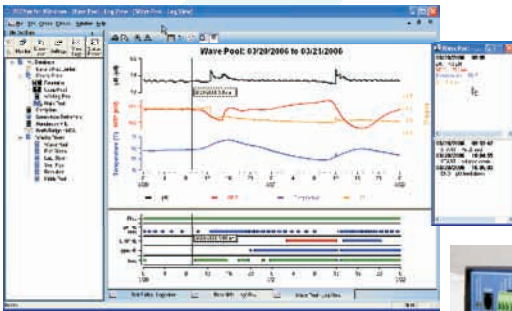

A Long History of Reliability

- The BECSys3 design has been controlling pools for over a decade
- 5-year electronics warranty
- Fully isolated pH and ORP readings
- Factory-trained service and support

Monitor/Control Free Chlorine

- pH and temperature compensated
- Quick response time
- Low maintenance sensor

Monitor and Analyze

- BECSys for Windows included with BECSysRCM
- Vista-compatible PC software
- Intuitive Graphical Analysis Tools
- Full read/write access to all parameters

Stay Connected with BECSys RCM

- BECSysRCM - Remote Communications Module
- Trace and Event Data log storage
- Adds 100BaseT Ethernet or 56k data/fax modem
- USB flash drive data log retrieval
- Choose to receive alarm notification by email, text message, pager and/or fax.

Advanced Sensor Technology

- State of the art design
- Inorganic electrolyte (32ml)
- 2-year warranty

Product Certifications

- ANSI/UL 61010-1 (ETL Listed)
- CAN/CSA C22-2 #61010-1 (ETL Listed)
- CE: EN 61010-1, EN 61326

About BECS Technology

BECS Technology, Inc. has been designing and manufacturing the industry's most reliable and innovative water chemistry controllers for over 20 years. All systems are designed and manufactured in-house at our facility in St. Louis, Missouri. Visit us online at www.becs.com.

Designed and Manufactured by:

BECS Technology, Inc.
